

# EHSC Policy

Version: 3  
Last amendment: 29/08/2018  
Document Contact: Sean O'Connor EHSC  
Coordinator

Approved By: YBE GM Murray Knyvett  
Date: 29/08/2018  
Next Review: 29/08/2020

## INTRODUCTION

YBE (2) view health and safety as a fundamental business principle, which will not be jeopardised under any circumstances. Health and safety is an integral part of production and requires ongoing accident prevention, hazard control and training.

YBE's (2) EHSC Policy outlines our company's ongoing commitment to providing safe and healthy working conditions for all employees and contractors.

## STATEMENT OF AUTHORITY

The provisions in this EHSC Policy have due reference to the YBE (2) EHSC Management Plan and to the authority of the Work Health and Safety Act (National Uniform Legislation) 2011.

## INTENT

As a company we aim to protect the environment, health & safety of all employees, contractors and the communities where we operate.

## RELEVANT DEFINITIONS

**EHSC**, Environment, Health, Safety and Community

**YBE (2)**, YBE (2) Pty Ltd.

**GM**, General Manager

## POLICY

YBE (2) will comply with the following:

- Commit to setting and maintaining the highest standards of occupational health and safety at all times.
- Ensure that all activities are carried out in accordance with all State, Territory and national OH&S Legislation requirements.
- Comply with the all contractual obligations and all of the policies of our clients.
- Always seek to continuously improve our environmental health and safety performance.
- Co-operate with our customers to understand their needs and support their use of best EHSC practices.
- Demonstrate leadership in all aspects EHSC.

Incident Reporting Policy	Version: 3
Policy Contact: Sean OConnor EHSC Coordinator	Page 1 of 2

- Provide a working environment that motivates and supports all employees in their efforts to achieve an EHSC best practice.
- Strive to minimise any environmental impacts through the effective use of management systems that continually improve EHSC performance.
- Carefully consider and establish appropriate EHSC requirements when selecting business partners and contractors.
- Audit operations and business practices at regular intervals to ensure compliance to our EHSC Management Plan.
- Always engage in open and transparent communication with stakeholders to achieve greater environmental, health and safety understanding and to improve performance.
- Also commit to a zero tolerance to organisations and people who disregard health and safety procedures and practices.
- Ensure that employee participation is genuinely and actively sought by management in any workplace health and safety issues.

## SUPPORTING DOCUMENTATION

- YBE (2) EHSC Management System
- YBE (2) Environmental Policy
- Work Health & Safety Act (National Uniform Legislation) 2011
- Work Health & Safety (National Uniform Legislation) Regulations 2011

## RESPONSIBILITIES

The YBE (2) EHSC Coordinator is responsible for maintaining this policy and ensuring that it is followed.

YBE (2) CEO: *Ensure that the Policy Requirements listed above are implemented.*
