	Environmental Policy	
	Version: 3 Last amendment: 01/02/2017	Approved By: GM Murray Knyvett Date: 01/02/2017
	Document Contact: Sean O'Connor	Next Review: 01/02/2019

INTRODUCTION

YBE (2) Pty Ltd is committed to developing a better understanding and sensitivity towards our environment and local communities. We believe that incidents can be eliminated through good 'Environmental Risk Management' and relationships can be continually enhanced within the local community.

STATEMENT OF AUTHORITY

The provisions in this Environmental Policy have due reference to the YBE (2) EHSC Management System and to the authority of the NT Workplace Health and Safety Act 2007.

INTENT

The aim of the Environmental Management System is to continually improve and maintain best practice in Environmental matters. This will be effective through fully transparent systems and processes and a motivated organisation that believes in the value and benefits of our Environmental and Community approach.

RELEVANT DEFINITIONS

YBE (2), Yolgnu Business Enterprises (2) Pty Ltd.

POLICY

YBE (2) will comply with the following areas:

- With all applicable laws and regulations related to Environmental matters,
- Be proactive in identifying potential environmental issues and manage the risks,
- Understand the environmental impact of the materials and the plant we work with,
- Ensure the economic use of materials and the minimisation of any form of waste,
- Review and where possible use materials that have a recycling capability,
- Accurately report our environmental performance using appropriate measurement tools,
- Attain the environmental knowledge and understanding in our business activities,
- Implement environmental related safe work practices, systems and procedures,
- Local community sensitivities are considered where we have a business presence and
- Embrace the 'Environmental Risk Management' approach.
